Together we deliver advanced care.

They jump out of trees. Sail their bikes over ramps. Slide down staircases. They're just being kids. But you're the parent, and when it comes to their health, you want the best care possible. At Lawrence General Hospital, we're bringing expert pediatric care close to home, right here in the Merrimack Valley region. We've got top pediatricians from Floating Hospital for Children onsite 24/7/365 to care for patients and coordinate care with families and primary care physicians. Specialists from Floating Hospital for Children are also available to provide everything from pediatric gastroenterology and neurology to cardiology care. To find out more and get a glimpse of our newly renovated, private, family-friendly pediatric patient rooms, visit [TogetherForHealthyKids.com](http://TogetherForHealthyKids.com).
